1	Detailed payment schedule is not provided in the tender document.	Refer to clause 12.8 of Page No.20
2	Mention the mode of payment.	
3	Since, Bio-Mining is an upcoming technique in India, there are only a few on Bio-Mining. As the operation and maintenance of Bio-Mining and solid waste Management is similar, we request you to accept the composting experience as we do not have an experience in the field of Bio-Mining.	Composting experience can't be taken into consideration.
