

*Dear Sir/Madam*

*I am very glad to declare that Vijayawada Municipal Corporation (VMC) schools have achieved very good results in the SSC exams held in March 2010, and stood first among the Municipal schools in the AP State. 86 students of our schools secured the marks between 520- 572 , 79 Students got marks between 500 to 520 and 76 students got 480-499 marks. Despite all family and financial constraints they fared well, thanks to the efforts put in by the VMC administration and the commitment of the team of teachers.*

*You must be well aware that, the student of VMC schools mostly belongs to below poverty line and still they could achieve these results. They need a little bit more support and definitely they will excel and could do wonders. Though VMC is committed to provide logistics and all infrastructure to improve the academics we are in dearth of funds and unable to meet certain requirements to compete on par with private and corporate schools.*

*VMC at present is running 28 high schools with 11815 students, 2 upper primary schools and 75 elementary schools with strength 15589. We need to provide wooden benches, desks, note books, shoes, uniform, school bags, water bottles and computers particularly for primary schools and I hope that these would help to achieve further more results. Due to the financial constraints VMC is not in a position to afford the expenditure. I there fore propose to invite the philanthropists like you to part with VMC, for the cause of poor people, striving hard for their career development.*

*I am here with enclosing a detailed list of schools and the requirements there in. You may choose any of the schools or a group of schools in toto and may sponsor for providing the requirements. You may display your logo on such items provided and the name of your choice will be displayed in the prominent place of the school. I request you to consider the proposal and come forward to part with VMC in this noble project of providing better education to the poor. Please feel free to contact me at my office in this regard. For further information you may also contact our Deputy Educational Officer K. Durga Prasad (Phone number **9866514224**).*

*In this regard I request one and all to join hands in this noble cause, helping the poor students in their career development and I earnestly request to cooperate in the program of "BADI NIRMIDDAM".*

*Let us all together build a new Intellectual society.*

*JAI HIND. JAI BHARATH*

*Thanking You,*

*Yours sincerely,  
G.Ravi Babu, I.A.S*
