

VIJAYAWADA MUNICIPAL CORPORATION

**City Plan for Solid Waste Management
and Maintenance of Sanitation**

***Implementation of GO 279 and
Real-Time Monitoring System (RTMS)***

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

Profile of the City

1.	Total area of the city	- 61.88 Sq Kms
2.	Total population	- 10,34,358 (2011 census)
3.	Density of the Population	- 19,392 per/sq km
4.	Estimated population	- 11,37,794
5.	Male population	- 5,18,590
6.	Female Population	- 5,15,768
7.	Total no of households	- 2,75,000
8.	No of slums	- 111
9.	Population of slum area	- 2,87,983
10.	No of households in the slum	- 57,955
11.	Population of hill area population)	- 1,03,438 (10% of the total
12.	No of households in hill area	- 65,251
13.	No of sanitary divisions	- 59 (Election Wards)
14.	No of Election Wards	- 59
15.	Total length of the roads	- 1250 Kms
	a) BT Roads	- 625
	b) CC Road	- 240
	c) Metal	- 260
	d) Other roads	- 125
	(Including internal roads)	
16.	Total length of the drains	- 1313 Kms (Major & Minor)
17.	Quantity of garbage generated	- 350 MTs (per a day)
	Transported to dumping yard	- 350 MTs
	Garbage collected from door to door transported to onsite compost wet waste	- 380
	Road sweeping	- 135 MTs
	Recycle and re use	- 165 MTs

EXISTING ORANIZATION STRUCTURE

1. CMOH	-	1
2. AMOHs	-	5
3. Assistant Medical Officer –I	-	1
4. Assistant Medical Officer –II	-	1
5. Assistant Medical Officer –III	-	1
6. In-charge Medical Officers	-	2
7. Biologist	-	1
8. VAS	-	1
9. Health Educator	-	1 (Vacancy)
10. Sanitary Supervisors	-	3 (2 Regular + 1 incharge)
11. Sanitary Inspectors	-	45
12. Sanitary Inspectors (Malaria)	-	6
13. Sanitary Maistries	-	86
14. PH Workers		
a) Regular	-	750 (116 Malaria)
b) DWCUA / CMEY	-	2984

15. Vehicles

a. No of Sweeping Machines	-	6
b. No of Dumper Placer	-	14
c. No of Big Compactor Vehicles	-	10
d. No of Small Compactor Vehicles	-	25
e. No of Big Tippers	-	9
f. No of Small Tippers	-	9
g. No of Hook Loader	-	2
h. No of Bobcats	-	8
i. No of Tractors	-	2
j. No of Autos	-	5
k. No of Battery Operated Autos	-	18
l. No of Petrol Mounted Rickshaws	-	10
m. No of Try Cycles	-	900
n. No of push carts	-	1204
o. No of Dumper Bins	-	321
p. No of Compactor Bins	-	207
q. Hood Loader Bins	-	8

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

Officers of PH Section

Chief Medical Officer of Health	-	Dr K. Arjuna Rao
Assistant Medical Officer of Health	-	Dr N. Raju
Assistant Medical Officer of Health	-	Dr K. Madhusudan Prasad
Assistant Medical Officer of Health I/c	-	Dr CH. Babu Srinivasan (MO Ayurvedic Dispensary)
Assistant Medical Officer of Health I/c	-	Dr. K.rRama Koteswara Rao (MO Ayurvedic Dispensary)
Assistant Medical Officer of Health I/c	-	Dr. Iqbal Hussain

2. Primary Health Care & Medical Care

- Senior Medical Officer I/c - Dr. Iqbal Hussain
(MO Unani Dispensary)

3. Control of Mosquitoes & Malaria

- Biologist - Sri A.Nooka Raju

4. Maintenance of slaughter house and meet hygiene control of stray dogs

- Veterinary Assistant Surgeon (VAS) - Dr A. Sridhar

5. Vital statistics (birth&death registration)

- Deputy Statistical Officer (Dy.SO) - K.Ramesh Kumar
- Assistant Statistical Officer (ASO) - M.Kishore Babu

6. IEC activities.

- Health Educator - Dr Iquball Hussain I/c.

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

FUNCTIONS OF THE PUBLIC HEALTH SECTION

SANITATION

1) Regular sweeping and Drain cleaning:

There are 59 (Election Wards) Sanitary Divisions covering the entire city divided into 3 circles and each circle headed by Health Officer.

There are 750 permanent workers and 2984 self help group workers i.e., DWCUA / CMEY for road sweeping, door to door garbage collection and drain cleaning. Two batches of silt workers separately allotted for the purpose of 150 No. of major drains cleaning periodically. Out fall drains and some of the major drains are cleaned by Engineering Section.

2) Door to Door basket collection / Primary collection

100% door to door garbage collection is being implemented. Each Rickshaw worker collects the garbage from 300 households per day. 900 no of rickshaws (Try Cycles) are engaged for the above purpose.

3) Street sweeping and drain cleaning

3,600 workers attended the street sweeping and drain cleaning. The garbage is collected in push carts and transported to nearest dumper bins & compactor bins and they will attend for silt work, malaria work and Night Sanitation work.

4) Litter Free Zone work

At present the Vijayawada Municipal Corporation had engaged 180 workers for litter free zone work to attend 24/7 in and around the city about 56 KMs i.e., Bandar Road, Eluru Road and National Highway and Truck mounted Sweeping machine has been using for night time.

5) Residential Welfare Associations.

Nearly 248 Residential Welfare Associations are working in the City. On public and private partnership by way of 100% door to door garbage collection and also 24 colonies by contributing 40% of the workers' wages who are working in their colonies under supervision of RWA and concerned S.I.

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

6) Airport corridor Development Project:

As per the orders of the Government of Andhra Pradesh, the Vijayawada Municipal Corporation has been attending sanitation work from Ramavarappadu Ring to Gannavaram Airport. Truck mounted sweeping machine is being used for this purpose.

7) Segregation

In Vijayawada Municipal Corporation doing segregation of (wet and dry) in all wards, for this purpose VMC had purchased 14 No of Battery Mounted Autos and Try Cycles (Petrol) mounted and also VMC had distributed 2 colour (Blue & Green Plastic Baskets) to 1,50,000 families to separate into wet and dry garbage at source level.

8) Swachh Awareness campaign

More than 3 lakh households have been educated through pamphlets with the message of segregating dry garbage and wet garbage separately.

9) Ban on plastic

There is ban on using of less than 50% micron plastic. Fines are being imposed against the wholesale dealers. Concerned awareness hoardings are erected at the important junctions of the Vijayawada city. By conducting Rallies necessary awareness was also created among the public.

10) Storage of Garbage / Dumper bins

The street sweepings and garbage collected in the houses is placed in the (321) dumper bins & (hook loaders bins 8) located in the streets. After lifting the bin the area is disinfected with lime and bleaching,

11) Transportation

The (321) dumper bins & (hook loaders bins 8) are transported by vehicles to the transfer station.

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

12) Transfer station

We are maintaining 2 transfer stations one at Ajit Singh Nagar in Sriram Energy plant area and another one at Auto Nagar Circle – III area. The garbage is transported in 3 shifts from the transfer station to dumping yard.

13) Secondary transportation

The garbage collected in huge ten metric ton capacity tippers at transfer station is transported from TS to Dumping yard. The vehicles are covered with tarpaulin.

14) Dumping yard

At present the garbage dumping at Pathapadu.

15) Scientific processing of Wet Waste / Vermi Compost

We are processing 165 MTs of Wet Garbage by utilizing 11 shredding machines through 5 centralized onsite compost plants. 7 Vermi compost (2nd, 9th, 11th, 14th, 46th, 54th & 57th) plants. with the cooperation of Residential Welfare Associations are functioning in the city effectively and 11 no of shredding machines (Pulverizer) are functioning manure is using to develop the Parks, Road Dividers.

16) Night Sanitation

There are 228 workers working in night sanitation covering all the important roads and commercial areas of VMC.

17) ODF (Open Defecation Free)

In Vijayawada Municipal Corporation limits 21 places were identified as open defecation places. In the said places, notice boards are erected and also Swachh Grahis are also drafted in three shifts for eradication of open defecation in identified places. In the said places flower pots, greenery was also developed and Rangavalli is also painted. By conducting Rallies required awareness is created among the public.

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

18) Community Dumper Bin Free City

It is also planning for Community Dumper Bin Free City in Vijayawada for which Plan of Action is prepared and it will be implemented shortly and established in 2 places one at Loyola College Road, one at Ayodhyanagar.

19) G.O.Ms.No.279

As per the G.O 279 Residential, Commercial Survey was completed and data was computerized and file was send to Government for Administrative sanction.

20) Issuance of Birth & Death Certificates & Marriage Registration

Every day 140 – 150 certificates are prepared and issued across the counter following citizen charter. Action has been already initiated for issuance of Birth & Death certificates on free of cost at Government hospital, Vijayawada, and there are also proposals to issue Birth certificates from other reputed private hospitals in the City.

21) Marriage Registration

CMOH has been designated as Marriage Registrar for the Vijayawada city. Registration will be done in the chambers of CMOH as one of the vital events like Birth & Death.

22) AEBAS – System

The Vijayawada Municipal Corporation adopted, Aadhar Enrolled Bio Attendance system (AEBAS) to the outsourcing workers, permanent workers and also both indoor and outdoor Employees.

Due the introduction of this system VMC achieved savage of time and also arrested un-authorised musters were also controlled and thus saved the income to the Corporation.

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

23) Mobile court

Every Wednesday mobile court is conducted by III Metropolitan Magistrate, all the violators of sanitation are registered and fined.

24) Scrap Park

VMC vehicle depot scrap material is utilized in an innovative beautification of the park at Bandar Road near Police Control Room.

25) Remediation Process

Remediation work has been started in an extent of 25 acres at Excel Plant Singh Nagar by separating 2 Lakhs Metric tons solid waste which is dumped by the ULB since 30 years is being processed in scientific method and the same is being transformed as manure for useful productive work.

26) Painting of Walls in VMC limits.

The whole city walls are being beautified with artistic and attractive oil paintings.

27) Toilet Facility

In the city of VMC, 54 public toilets & 18 community toilets at various places with high-tech construction and modernized facilities are provided for the convenience of the local residents, visitors, pilgrims etc.

28) Hill area Residents.

Out of 59 election wards 15 election wards are hill areas, wherein most population is found even there segregation of garbage is conducted and Door to Door collection is done Dry & Wet Separately. Apart from it drinking water facility, street lighting and drainage is provided even till the top of the hill.

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

MALARIA WING

29) Ant larval operations

There are 240 workers distributed in 6 circles Supervised by 6 Sanitary Inspectors. Abate and Bytex are being sprayed in the drains and PDP treatment with Abate and put oil balls in the water stagnated low lying areas

30) Mosquito control

The following areas are frequently inundated and water stagnated prone for mosquito breeding

1) Azith Singh nagar, 2) Jayaprakash nagar, 3) Sundarayya nagar, 4) Bhanu nagar, 5) Rajive nagar, 6) Kandrika, 7) Payakapuram, 8) Santhi nagar, 9) Rama Krishnapuram, 10) LBS nagar & Patel nagar, 11) Devi nagar

All the above areas situated along with Budameru and there is heavy growth of pistia plant harboring mosquitoes.

31) Additional inputs for control of Mosquitoes

1. Purchase of 5 additional - power sprayers fogging machines to cover the entire

Mosquito prone areas once in a week

2. Abate –1000 liters, By-tex 2000 liters, Mlathian 2000 liters additionally purchased cover the above areas.
3. 3 Nos. auto mounted fogging machines
4. 15 Nos. thaivan machines
5. IRS covered in all slum areas.

32) Control of Malaria / Chikun Guniya / Dengue

Active surveillance of fever prevalent areas both by the District Malaria wing and also Health staff of Urban Health Centers by frequent fever surveys and immediate treatment by arranging medical camps.

33) Domalapai Dandayatra

Mosquito is the main reason for Dengue fever, Malaria fever etc for eradication of mosquito breedings at cell pools, canals etc Gambuzia fish, oil balls are arranged. Everyday fogging is conducting in all Election divisions in 3 shifts.

Vijayawada City Plan for Solid Waste Management and Maintenance of Sanitation

VETERINARY WING

34) Stray Dogs control

In order to maintain VMC as Anti Rabbits Free City, as per the proposals of the Animal Welfare Board, Hyderabad action is taken through ABC Programme to conduct birth control operations to 7000 stray dogs completed.

SBM - SAC
